Riverside WAVES

An Important Message From Your RLRA

The nomination committee has been working hard to re-establish the structured process for choosing our Riverside Lakes Homeowners Association (HOA) board by following the bylaws.

By now you should have received some education regarding the nomination and voting process for the Riverside Lakes HOA. When you receive your nomination form please fill it out right away so you don't forget. The **deadline is November 7, 2014**. You can **drop off or send Nomination form to Char Westley 250 Riverside Dr Waterloo NE 68069**. If you

have questions or concerns regarding the nomination process please contact the nomination committee members: Char Westley – 815-685-4997; Nick Heinrich – 402-681-0937 or Loretta Pierce 402-321-1408.

Security System For Riverside Lakes

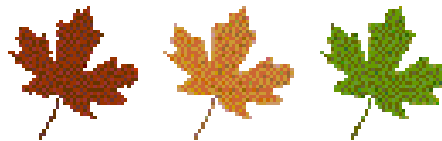

Thanks to the hard work done by Ken Knaub and Robert Lynn, along with the financial support of both RLRA and the SID, Riverside Lakes will soon have an state of the art security system. RLRA contributed \$6000 towards the installation of the system.

The equipment will consist of multiple security cameras that will have the capability of photographing both the license plate of vehicles, and identifying the driver with high quality graphics. The cameras will be in a secure position and will also have the ability of identifying any potential

vandals to the equipment. Additionally, the cameras will have the ability to help protect the boating lake ramp for both vandalism protection and zebra mussel protection. The images will be watermarked and capable of standing as evidence if necessary. We have been assured by the equipment vendor, SEI, this is the highest quality equipment with state of art specifications necessary for our community.

The contract has been signed and the installation is in process. We should be fully operational by November 1st.

If you have questions, please contact Robert Lynn at 402-651-4268 or drlynn636@msn.com.

Riverside Lakes Needs a Webmaster!

Volunteer needed to manage the RSL website starting January 2015: Website is built with WYSIWYG but volunteer should know HTML. Knowledge of Photoshop or Fireworks.

Copy-writing and layout skills helpful. If interested, please send an email to tmogler@gmail.com or call 402-981-0910 for more information.

Great Times at Riverside Lakes Summer Fun Days!

Did you miss the fun? Well, if you did be sure to mark your calendar for our annual Summer Fun Days next August. Here's a recap of the week's events:

We began on Saturday morning with the **Fishing Tournament**. Young and old baited their hooks in hopes of getting the "catch of the day". The winners were: Big Lake = Biggest Fish Adult: **John Ramm**, 4 pounds. Biggest Fish Child: **Mia Clark**, 3.3 pounds Small Lake= Biggest Fish Adult: **Sandy McKinney**, 1.5 pounds. Biggest Fish Child: **Ayva Boekhout**, 2 pounds.

That night the Tapas and Tiramisu parties were held. Although this is not a Riverside Lakes Recreation Association [RLRA] event, we kicked off the week with a bang! From the **Beatlemania**, on to a **Amigos del Lago**, **Children of Woodstock**, **Caddyshack** and finally **Red Neck Yacht Club**- each had their own special flare. After all of this, we ended the evening with the Tiramisu Party =

Augtoberfest, complete with a live Polka band!

The annual Horseshoe Tournament was held on Sunday. After a tough competition, **Jim Meier** was awarded the trophy, for the second straight year!

Family Night was held on Tuesday. We added hot dogs and lots of fun new games this year. Lots of children and grandchildren who took part in this event had fun on the water slide, played beanbag toss, had their face painted or took aim with water balloons, then cooled off with a delicious snow cone.

It was nice to see so many families take part in this event.

On Thursday, we held the third annual Duck Race. Hundreds of little ducks floated and bobbed down the Elkhorn River as participants cheered their ducks on to victory. The winning duck belonged to **Charlyn Westley!**

Believe it or not that was not all! On

Saturday morning the Triathlon brought out some terrific athletes. They ran, swam and rode their bikes around the lakes. The trophies were awarded to: Adult division = **Peyton Hottovy**, Children's division= **Avery Wright**. Congratulations to all our winners!

We culminated the week's events with our **Dinner Dance** in the park. Chicken was provided by RLRA while attendees brought sides and desserts. We have some wonderful cooks at the lake! Everything was yummy!

Residents danced to the tunes of DJ Doug E Fresh (**Doug Eggen**).

Thanks to all who helped and participated in Summer Fun Days. If you missed out, look ahead to next year and mark your calendars as soon as the dates are announced in the newsletter. It's a great way to meet and socialize with your Riverside Lake's neighbors!

Fourth of July Fun at Riverside Lakes!

The RLRA would like to thank everyone who donated to the fireworks this year! Once again a magnificent light show was held over the Riverside Lakes skies.

A flotilla of decorated boats paraded around the Boating and Fishing lakes on the Fourth too. The trophies went to Rocky Mountain High (**Hicks/Burke/Pettegrew**) on

the Boating Lake, and **Russ & Jan Stork** for the Fishing Lake.

A big THANK YOU to all the teams who participated in the Fourth of July Boat Parade! As usual, the parade was a hit with all ages and spectators! Start thinking and/or looking for ideas for next year!

Mark Your Calendars!

The Annual Meeting for Riverside Lakes Residents will be:

Tuesday, January 20th, 2015.

The meeting will start at 6:30 pm, but we're still determining a location.

Please Be Mindful of Our Runners/Walkers!

It's great to see so many of our residents out running/walking around the lakes in the early mornings and into the evenings. Even though we won't 'fall back' to Standard Time until November 2, the days are definitely getting shorter!

To our runners/walkers: **please be aware of how important it is to wear reflective gear!** Many of our

residents leave for work/school before the sun comes up, or they come home after it's set. **It is very difficult to see you on the road if you're not wearing reflective gear!**

Here are some suggestions to make Riverside Lakes a safer place:

Walkers:

Walk facing traffic.

Wear bright reflective clothing.

Carry a flashlight or other light source. Be alert to engine noises or cars backing out of driveways.

Drivers:

Be patient! Our speed limit here is 25 mph!

Use extra caution; there are lots of youngsters in our neighborhood now... always be prepared to stop!
